C. Facts: Back in April of 2014 I took out a

in the Bronx. My issues were brought to the Bronx County
Housing Court due to my Bathroom Lights and Light
switch stop working as of 1-2014, the Living room
electrical sockets and electricity stop working as of
1-2014. Since my move-in date which was 12/2006
my living room and bedroom ceiling has had a major crack
in the ceiling which runs from wall to wall in the living room
and bedroom. Bronx County Housing Court has sent out a
LIASON on two different occasions to inspect my
apartment for the issues at hand. Building inspectors and
the building superintendent has inspected my apartment
a minimal of three to four times since I've been living at the
above stated address and never said or did anything about the
obvious cracks in my living room and bedroom ceiling. As of 1-2014
my refrigerator started malfunctioning - lights flickering and the food temperature
IV. Injuries: is unsafe, I have refrigerator thermometer to prove this,

If you sustained injuries related to the events alleged above, describe them and state what medical treatment, if any, you required and received. I've never sustained injuries
however back in the fall or spring of 2012-2013 dust particles
from the crack in the living room ceiling fell on my living
room furniture.

V. Relief:

State what you want the Court to do for you and the amount of monetary compensation, if any, you are seeking, and the basis for such compensation. I want a monetary compensation in the amount of \$60,000 which sums up to all the rent monies paid to management and the landlord, this amount includes my security deposit. I have pictures of these violations in addition to the Bronx County Housing Court out their reason to inspect/assess the violations.

I declare under penalty of perjury that the foregoing is true and correct.
